

Foundation in Drawing and Painting

Dates: 15/09/2025

Locations: Lisson Grove Centre

This foundation course will cover key principles of drawing and painting, including ways of looking and using varied materials. You will learn to explore ideas and techniques and allow you to develop knowledge and understanding of artistic processes. Please note, this is a WAES certified course, and will allow you to progress onto our Level 2 UAL Diploma in Art course.

Entry Requirements

This is a beginner's course and is suitable for learners with an interest in painting and drawing, but with little or no experience. All applicants must have:

- An interview and assessment to confirm that the course is suitable for them.
- English and maths at Entry 3 or equivalent.
- Basic IT skills

What topics does the course cover?

In our specialist studio you will be taught approaches to drawing and painting including observational and expressive skills and methods of research using visual language such as tone, mark making spatial systems and colour theory. You will develop your creative and reflective skills through projects and tutorials, evolving your interests and direction as an artist.

How will I be taught and assessed?

Learners will receive feedback on progress from the tutor on a regular basis. At the end of the course learners will assess their individual progress and progression with the tutor.

The tutor will use observation, discussion, individual tutorials, and targeted tasks with feedback. Assessment will take place at stages throughout the course, and you will receive written and oral feedback.

Are there any other costs or equipment I need to get?

The materials fee covers materials such as card, paper, standard paint colours and a sketchbook. For your self-directed study, a basic art kit is required e.g. brushes, pencils, paints, inks, chalks, charcoal, pens, scissors etc.

By the end of the course what should I be able to do?

By the end of this course you will have gained a thorough introduction into creative art practices and will have established systematic recording techniques, which will help with future development. You will be able to work independently with confidence.

What are the progression opportunities following this course?

To progress onto our Level 2 UAL Diploma in Art starting in September 2025:

- Learners must be working at Level 1 English and maths.
- Have good IT skills at level 1 or above
- Have good levels of punctuality and attendance
- Have produced a portfolio of work in the subject area.
