

Glazing Workshop

Dates: 18/12/2024, 01/04/2025, 17/07/2025

Locations: Lisson Grove Centre

This course is specifically for learners who have made work on the wheel intensive courses and wish to complete their work by glazing

Learners must have a range of bisque fired work to glaze.

Entry Requirements

The course is for learners of all abilities and no prior experience is needed.

What topics does the course cover?

The course will cover basic dipping and pouring of glazes and some on-glaze techniques

How will I be taught and assessed?

Course will be taught through group demonstrations and 121s with each learner

Are there any other costs or equipment I need to get?

Learners will need a range of bisque fired work (made in one of our 4 Day Wheel Throwing Intensive classes. No other cost or fee is involved.

By the end of the course what should I be able to do?

You will know the basics of how to dip and pour glazes using techniques used by experienced and professional ceramicists.

What are the progression opportunities following this course?

Learners can progress to any of our courses (short or accredited) or return to try some more advanced glazing treatments in future glazing workshops.
