

Communication Skills - Improve your Pronunciation

Dates: 04/03/2027, 28/04/2027

Locations: Pimlico Centre, Lisson Grove Centre

Want to communicate more effectively and confidently? Accelerate your communication skills with our 4-week 'Improve Your Pronunciation course'. You'll learn to understand the nuances of English pronunciation and fix common pronunciation problems. Learn advanced techniques to master complex sounds, intonation and fluency. Our expert English teachers will provide personalised feedback to help you to elevate your speaking. This course is perfect for advanced English learners who want to take their language skills to the next level. Whether you're preparing for a job interview or simply want to improve your everyday English, this course is for you.

Entry Requirements

Level 1 in ESOL/English. We will consider Entry 3 level students applications who would like a challenge.

What topics does the course cover?

Pronunciation problems and language differences. Phonetic chart and English phonemes. Stressed syllables and weak sounds. Intonation. Rhythm of English. Repairing miscommunication. Important pronunciation tools to take away. And lots of practice

How will I be taught and assessed?

This is a classroom based 4-week course. There is no formal assessment or qualification but you will receive a certificate for attending all sessions. It is recommended that you join all sessions to get the best outcome from the course. Having access to a phone or other equipment to record your speaking would be useful.

Are there any other costs or equipment I need to get?

There is a £40 fee attached to this course for all students, regardless of income.

By the end of the course what should I be able to do?

You'll learn to understand and be understood, identify and correct pronunciation issues, and develop strategies to become a clear and effective communicator.

What are the progression opportunities following this course?

Enhance your skills further and boost your career prospects with other courses from our 'Communication Skills Fast-Track Programme'. Consider short courses like 'Finding Your Voice,' 'Speaking in Context,' and 'Writing in Context' to improve your communication skills. Or, why not join a 'Gain Confidence in Digital' course to enhance your digital abilities? Additionally, explore our wide range of vocational and academic qualification courses at WAES to further your education.
