## Entry Requirements

This is a beginner's course and is suitable for learners with an interest in painting and drawing, but with little or no experience

## What topics does the course cover?

Day 1: Drawing, materials and techniques including; pencil, charcoal, crayons, collage

Day 2: Painting materials and techniques including; watercolour, ink, acrylic, and mixed media (Note: No oil painting due to drying time)

Day3 Printmaking materials and techniques including, monotype, gellie, dry point (intaglio), , lino (relief) and collagraph

Day 4: You will have the opportunity to work on and complete work of your choice in the studio with 1-2-1 tutorials

## How will I be taught and assessed?

Learners will receive feedback on progress from the tutor on a regular basis. At the end of the course learners will assess their individual progress and progression with the tutor.

## Are there any other costs or equipment I need to get?

The materials fee covers materials such as card, paper, and standard paint colours.

## By the end of the course what should I be able to do?

By the end of this course you will have gained a introduction into creative art practices and techniques which will help with future development. You will be able to work independently with confidence.

## **What are the progression opportunities following this course?**

This course will enable learners to progress onto our Level 2 UAL Diploma in Art starting in September. You can also develop your skills further on one of our specialist short courses that run throughout the year. Options will be discussed towards the end of the course with your tutor.
